

## Petite Table Limit Sign

Enhance your casino decor and attract more players with the stylish **PETITE** Table Limit sign. The stylish **PETITE** takes the traditional LED Table Limit design to classic perfection.

As the name suggests, the Petite is our most compact Table Limit, designed to add elegance to each gaming table while allowing clear sightlines throughout the pit area.

### Features:

- Vibrant LED illumination, 9 color choices
- Custom branded acrylic faceplate
- Illuminated faceplate is replaceable allowing for rebranding or new games
- Bright digital MIN/MAX display on front
- Rear MIN/MAX bet display for pit boss & dealers
- Simple 3 button control of MIN/MAX values
- Sturdy bolt pedestal table mount system
- Gold, silver, or black pedestal options

### Custom, Replaceable Faceplate:

All faceplate graphic designs are complimentary and prepared to your satisfaction. If a casino branding change or new games creates the need for a new faceplate graphic, simply order a new one and swap it out at the table.

### Carmanah Signs Quality

Carmanah developed the original LED-lit Table Limit sign in 1996, and we continue to supply high quality casino table signage to hundreds of casinos worldwide each year. The one year warranty is backed up by Carmanah's excellent service department.
